Esteemed THRS Parents,

It has been an exhilarating and exceptional four weeks of school.

Teen Leadership students have been learning about positive character traits in others and in themselves.

As I mentioned in an earlier email, students are now ready to put those positive character traits and leadership skills into practice.

Therefore, instead of posting weekly lesson plans, I will post campus activities that your child will lead as Teen Leadership students. Last Friday, students read to and mentored THRS Kindergarten students.

As campus activities are scheduled, I will post and keep you informed about the outstanding ways in which your child is contributing to the overall positive THRS environment.

Best Regards,

*Ms. Jo Ann Mena*

Teen Leadership Teacher
