

Spanish 1B, 2019-20.

¡¡Hola!! Bienvenidos una vez mas a la clase de Español !!

If this is your second year in Spanish 1, welcome back!! and if you are new welcome to our fun group.

I hope you have a good feeling communicating in Spanish, and you are eager to continue learning with me.

The curriculum this year is organized in the last two semesters to be able to get the credit for High School. Please keep in mind that a **Final Exam** will be required on the four skills: listening, writing, speaking and reading in order to get the credit. But, if you are serious, applied yourself and work hard you will make it!

Here is the link for the *COURSE CONTENT* on our textbook Realidades 1 . We will be covering from **Unit 5A to Unit 9B** . But we will also be reviewing last year content to be ready for the Final Exam.
